Disclaimer:

Verecan Wealth Inc. is a Verecan Group company and is a licensed provider of insurance products, fee-based financial planning, and tax preparation services. All insurance services are offered through licensed representatives in the respective jurisdictions. The financial planning and tax services provided by Verecan Wealth Inc. do not include investment advisory services, which are solely provided by Verecan Capital Management Inc. Financial planning services may include recommendations of third-party products and services, which may have separate costs or disclosures. Insurance products are subject to the terms and conditions of the respective provider and are not guaranteed by Verecan Wealth Inc. Verecan Wealth advisors are not paid by commission and do not receive any payment from vendors. The tax preparation fee discount is a client benefit, not a financial incentive to transfer or retain assets with Verecan Capital Management Inc. Investment decisions should be made independently, without consideration of ancillary service discounts. Clients are not required to maintain a specific asset level to access tax preparation services. For more information visit our website at www.verecan.com.
